

TALKING POINTS FOR FAMILIES

Talk about:

- What your child is learning in prekindergarten.
- Any developmental progress you have seen since your child began school.
- How you are involved in the school/classroom.
- Your positive interactions with the teacher.
- How you were welcomed in the school.
- Family events that the district/school provides.
- How prekindergarten has helped you as a parent and as a teacher with your child.
- How and why your child is happy in school.
- How the district/school has helped you with any specific concerns about your child.
- Why you feel the school is a safe place for your child.
- How your child has become more independent.
