

## Research Theme: Bridging the Gap

Groups of 3–4

- 1) Think about your experiences teaching, coaching educators, or working in the education field.
- 2) In the “Ideal Student Qualities” column, list the ideal qualities you would like students to obtain in school.

*What are the ideal qualities I want student to have when they leave this campus?*

- 3) In the “Actual Student Qualities” column, list the qualities students currently demonstrate.

*What qualities do students currently have?*

- 4) Compare the two lists and create a Research Theme that bridges the gap.

*How does this Research Theme tie into your campus vision and mission?*
