<p>Lesson Objectives: In a designated time period, students will be exposed to six areas of technical theatre and become proficient in technical theatre vocabulary and operation of equipment.</p>	<p>Lesson Objectives:</p>
<p>Instructional Activities:</p> <ol style="list-style-type: none"> 1. Students will receive hands on instruction in each of six technical theatre areas using available equipment, tools, and supplies. 2. Instruction in each area will include vocabulary, minimal operation of equipment, location of stock and supplies, safety, and proper storage and cleaning. 3. At the end of instruction, students will present a project which incorporates a designated number of the technical elements. 	<p>Instructional Activities:</p>
<p>Assessment: Students will demonstrate proper, safe, and efficient use of equipment in each area. The final project will be judged based on safe, efficient, and creative use of the equipment and stock in each chosen area.</p>	<p>Assessment:</p>
